It is stated that China is making great preparations to resist the French designs on Tonquin. The French Government is consequently urged to take active measures. It is also reported from Saigon that 10,000 Chinese have crossed the Tonquin frontier.

Mrs. Labouchere, who accompanied Mrs. Langtry to America and quarreled with her because the Jersey Lily insisted on carrying on a very strong flirtation with one of New York's gliding youths, has returned the batteries of her tongue on her friend. She gives an interview a breezy review of Langtry's record, tells how the scheme for attracting the barbarous Yankees to pay their money for a sight of Abbey's last attraction was worked up, and says she has had enough of Mrs. Langtry's nonsense and is going home. The "Lily" replies through her friends that Mrs. Labouchere lives in a glass house anyhow, and ought to be very careful about throwing stones.

HOLIDAY GOODS.
